

## COVID-19 STATEMENT

The government has removed all domestic restrictions in England.

Whilst that is the case there are measures and controls that we can take to reduce the risk of catching and spreading COVID-19:

- Virtual meetings replacing conventional gatherings
- Staggered starts, breaks and events to mitigate risk
- sanitisation stations and implementation of procedures in all workspaces
- Housekeeping/sanitisation

We always want to ensure their health and wellbeing and advocate following Government & NHS guidance.

We continue to manufacture and deliver to our customers, so for any questions or queries, do not hesitate to contact us.

Thank you for continued support

Yours Sincerely,

Bitrez Ltd
